## Part 2 — Reconciliation of Federal Wages

Canton City Income Tax is imposed on “qualifying wages” as defined in Section 3121(a) of the Internal Revenue Code, without regard to the Social Security wage limitation, adjusted as follows:

### DEDUCT:

✓ any amount included in wages if the amount constitutes compensation attributable to a plan or program described in Section 125 of the Internal Revenue Code.

### ADD:

✓ any amount not included in wages because the amount arises from the sale, exchange, or other disposition of a stock option, or the sale, exchange, or other disposition of stock purchased under a stock option.

✓ any employee contribution or elective deferral that is not included in wages if the amount is an amount described in Section 401(k) or 457 of the Internal Revenue Code.

✓ any supplemental unemployment compensation benefits not included in wages, described in Section 3402(o)(2) of the Internal Revenue Code.

✓ any amount excluded from wages solely because the employee was employed by the employer prior to April 1, 1986.

*Be sure to indicate the number of W-2s being totaled and reconciled, and the number of Forms 1099MISC and the 1099MISC total dollar amount.*

## Part 3 — Wages Details

The taxable wages are reconciled with local tax withholdings by reporting separately the wage amount subject to Canton’s tax. Use the red blocks to report wages if you filed quarterly, the green and red blocks if you filed monthly, and all the blocks if you filed semi-monthly. Show the wage and tax totals on the appropriate line. Add the tax from both date periods to get the total tax liability for 2020.

## Part 4 — Deposits Details

Use the red blocks to report deposits if you remitted quarterly, the green and red blocks if you remitted monthly, and all the blocks if you remitted semi-monthly. Show the deposit totals on the appropriate line. Add the lines together to get total deposits for 2020.

Subtract total deposits from total tax liability. If the difference is a positive number, you have a balance due. Remit payment with this form.

If the difference is a negative number, you have overpaid your withholding for the year. If the overpayment is greater than \$10.00, it will be refunded.

Any difference between wages and the applicable Canton tax rate will be billable to the employer.

***Be sure to fill out all 4 parts of the form COMPLETELY.***

No taxes of less than ten dollars (\$10.00) shall be collected or refunded.

**PLEASE FILE YOUR PAYROLL RECONCILIATION DIGITALLY, EITHER  
ON A CD OR FLASH DRIVE, OR BY UPLOADING THE FILE ELECTRONICALLY TO  
<https://cantonincometax.com/tax/w3upload.php>**

**W3 Formats**

There are four acceptable formats for electronic filing.

**Federal Filing Format – MMREF and EFW2**

Information about the Federal MMREF and EFW2 format is available on the Social Security Administration website at: [www.ssa.gov/employer](http://www.ssa.gov/employer) Both formats are very similar and can both be read.

*Note that the record with local information is not required for filing federally. The RS record must be included to provide city information.*

**Old Federal Formats – 1A and A**

The previous Federal formats continue to be supported.

**CityTax Proprietary Format (CTP)**

This is a simple format for a single employer. It may be created using Microsoft Excel. It is a Comma Delimited format. Details are on a later page.

The following table lists critical fields, with the location in that format

		<b>MMREF</b>	<b>1A</b>	<b>A</b>	<b>CTP</b>
<b>Local Entity Code</b>	Record	RS	2S	S	CTW
	Start Position	5	82	219	12
	Length	5	5	5	--
<b>Local Withholding</b>	Record	RS	2S	S	CTW
	Start Position	320	96	233	13

<b>Local Taxable</b>	Record	RS	2S	S	CTW

## CityTax Proprietary

---

This is a comma-delimited format. That means that each field is separated by a comma. See below for instructions on creating this file from Microsoft Excel. All text must be in upper case. If leading zeros on TaxIds or Zipcodes do not show, this is all right.

### FIRST LINE: EMPLOYER

A. CTE	text exactly as shown
B. Employer FEIN or TaxID	9 digits no spaces or punctuation
C. Tax Year	4 digits
D. Employer name	
E. Corporate	C if a corporation, blank otherwise
F. Employer street address	No commas
G. Employer City	
H. Employer State	2 characters
I. Employer Zipcode	5 digits (or 6 characters if foreign country)
J. Employer Plus4	4 digits

### REMAINING LINES: ONE PER EMPLOYEE

A. CTW	text exactly as shown
B. Employee SSN	9 digits no spaces or punctuation
C. Employee Last Name	
D. Employee First Name	
E. Employee Middle Name	
F. Employee street address	No commas
G. Employee City

I. Employee Zipcode	5 digits (or 6 characters if foreign country)
J. Employee Plus4	4 digits

### How to Create CTP format using Microsoft Excel

NOTE: All dollar amounts should be entered as normal number with decimal point, such as 15100.50

1. Open a new spreadsheet.
2. On the first line, enter the Employer data as specified above, entering one value per column. The letter shown at the start of each line must match the letter at the top of the column in Excel. Skip the column if blank. Insure all entries are upper case. To start, enter 'CTE' in the first column.
3. For each employee, enter another line, entering CTW in the first column (A) and entering one field per column.
- 4 Click on the Save button (or select Save from the File menu). At the bottom is a drop down box for Save as type. Click on this drop-down and select: 'CSV (Comma delimited)(\* .csv)' Then enter a file name and click save.
5. Copy this file to a diskette or compact disc and send to the Income Tax office.

### Mailing the formats to Employers

The following page mirrors the information above, and is intended to be sent to Employers when desired. It does not include the older formats that should not be used any longer.

There are certain options that each site should modify before sending:

The Local Entity should be set to the site abbreviation (maximum of five letters), such as 'ERAPD' for Eaton Rapids. Set this in the table on the front page, and in the CTP instructions on the second page.

### For CTP:

Columns N through Q are optional, and should be removed if the site does not use the extra wage information.

## Submitting W2s electronically

---

The following formats are acceptable for filing W2 information electronically.

### Federall Filing Format - MMREF-1 or EFW2

Information about the Federal MMREF and EFW2 formats are available on the Social Security Administration website at: [www.ssa.gov/employer](http://www.ssa.gov/employer)

*Note that the record with local information is not required for filing federally. The RS record must be included to provide city information.*

### CityTax Proprietary Fromat (CTP)

This is a simple format for a single employer. It may be created using Microsoft Excel. It is a Comma Delimited format. Details are shown below.

*The following table lists critical fields with local information in that format*

		MMREF	CTP
<b>Local Entity Code</b>	Record	RS	CTW
	Start Position	5	12
	Length	5	--
	Value	{{Entity}}	{{Entity}}
