

GENERAL INFORMATION

DO I HAVE TO FILE A CITY INCOME TAX RETURN?

Every Canton, Ohio resident between the ages of 18 and 65 must file a city income tax return; even if there is no tax due. (Any resident who only has non-taxable income may simply fill out the Exemption Form to fulfill the filing requirement).

Taxpayers who were 65 years old or older on or before December 31, 2020, and whose sole income was derived from non-taxable sources such as social security, pension, etc., do not have to file a tax return. Please fill out and return the Exemption Form, informing us of your exempt status so that you no longer receive a tax form. **FAILURE TO DO THIS WILL RESULT IN OUR CONSIDERING YOUR ACCOUNT DELINQUENT.**

Any non-resident who has Canton business or rental activities must file a City return and estimate. Nonresidents who are employed in Canton, but have not paid the correct amount of income tax by payroll deduction, also must file a return and remit the tax due.

Any part-year resident who has lived in the city 30 days or more must file a city return.

WHEN AND WHERE DO I FILE?

File as early as possible, but no later than April 15, 2021, for the calendar year 2020.

You may have your city tax return prepared free of charge by city Income Tax Department staff auditors. Mail your W2's, 1099's and any applicable federal schedules to the city tax department at 424 Market Avenue North, 4th Floor, Canton, OH 44702, or email to cantontax@cantonohio.gov, or fax to 330-430-7944.

FAILURE TO FILE PENALTY

RETURNS POSTMARKED AFTER APRIL 15th are subject to late filing penalties imposed at \$25.00 per month after the filing deadline, up to a maximum penalty of \$150.

INTEREST

Interest will be imposed on any unpaid taxes at the rate of 0.42% per month on the outstanding balance due.

WHAT IF I NEED MORE TIME TO FILE?

Taxpayers who have requested an automatic six month extension for filing the federal income tax return will automatically receive a six month extension for filing the city income tax return. Please attach a copy of your federal Form 4868 when you file the city return.

Taxpayers who have not requested the automatic federal extension still may request a six month extension of the date for filing the city income tax return; however, the request must be made in writing and it must be received on or before the original filing deadline.

Please be aware that an extension of time to file your return does not grant you any extension of time to pay your taxes. **April 15** is the deadline for most to pay taxes owed and avoid penalty and interest charges.

Send extension requests to P.O. Box 9940, Canton, OH 44711-9940.

NOTE: We will contact you only if the extension request is denied. Even though an extension has been granted, interest will be charged on any unpaid tax. The interest will be charged from the date the tax should have been paid.

DO I HAVE TO PAY ESTIMATED TAX?

Any individual who will owe \$200 or more of Canton income tax which is not being withheld by an employer is required to file a Declaration of Estimated Tax and make quarterly payments. PAYMENTS on estimated taxes PLUS any other CREDITS must EQUAL at least NINETY PERCENT (90%) of the FINAL LIABILITY to avoid interest penalty. Estimated payments on a Declaration greater than or equal to the prior year's final liability are sufficient and will not be subject to interest penalty.

Each Declaration shall be accompanied by a payment of at least one twenty-two and five tenths percent (22.5%) of

the final tax liability. The first payment is due April 15, 2021. At least a similar amount shall be paid on or before June 15, 2021, September 15, 2021, and January 15, 2022.

Please note carefully: the Canton city income tax department will not send a statement of estimated tax due every quarter. Instead, the quarterly statements are sent with the annual income tax return. Each remittance will be due on the last day of the month following Quarter end. Please mark your calendar and be sure to file the estimates timely.

A DECLARATION OF ESTIMATED TAX WHICH IS LESS THAN 90% OF THE TAX DUE ON THE FINAL RETURN WILL BE SUBJECT TO A PENALTY OF 15% OF THE UNPAID BALANCE AND INTEREST OF 0.42% PER MONTH, MULTIPLIED BY THE NUMBER OF MONTHS UNPAID.

A Declaration can be amended at any time during the year by written request to the tax department.

SCHEDULE X MUST BE ATTACHED TO CITY RETURN.

HOW ARE NET PROFITS ALLOCATED? (SCHEDULE Y)

The business allocation percentage formula is to be used by all business enterprises doing business within and outside of the City of Canton. The business allocation percentage shall be determined by the ratio of the Canton portion of:

property used in business, multiply the gross annual rental by 8.

- (2) Gross receipts from sales made and services performed, regardless of where made or performed.

- (3) Total Payroll

Add the ratios obtained and divide the total by the number of ratios used to obtain the business allocation percentage. A ratio shall not be excluded from the computation because it is allocable entirely within or entirely outside the City of Canton. The business allocation percentage is to be applied against the total net profits adjusted in accordance with the provisions of the Ordinance, to determine the taxable portion.

Losses from either business or rental property must be noted on the back of the return.
